CUSTOMER SUPPORT

It's now easier to contact Fujirebio's customer support teams

Many of you have asked us to simplify the way that you can contact our customer service teams online. We have therefore opened a new page in our website that contains all the most important contact information as well as a contact form that will send your request directly to the right department. We hope this helps!

[Access the new support page →](#)

If you would like to get in touch with a representative from the Fujirebio network on any of the above topics or have other questions or requests [contact us here today](#).

For more information about Fujirebio and our product offer do not hesitate to [visit our website](#). You can also follow real time updates about Fujirebio through our [LinkedIn](#) company page.

Thank you very much for your interest in Fujirebio.

Kind regards,

Your Fujirebio team
